COURSE NAME: Incident Management System 200

Are your staff prepared to properly manage your next municipal emergency?

Are all of your staff working in your Emergency Operations Centre trained in the provincial incident management system?

If not, sign your people up today!

IMS 200

This two-day course takes IMS 100 graduates into much more detail about the incident command system. Understand the roles in the emergency operations centre and how they interact. Participate in some basic exercises to experience how the system works. This course is a must for those working in the EOC and will ensure your staff are trained in the provincial incident management system..

Course cost per student is \$135 and includes course materials, lunches and refreshments.

Course dates: Feb 23 and 24, 2012 from 8:30 am to 4 pm.

Prerequisite: IMS 100

Maximum 24 students per course

Register today!
